

Ashay Sawarkar

Dedicated software developer with expertise in Angular and React, specializing in crafting dynamic and user-friendly front-end solutions to enhance digital experiences.

Relevant Experience

Software Developer, Torana Inc June 2023— Present

- Develop and maintain front-end components using **Angular**.
- Perform bug fixes, debugging and troubleshoot issues in the company's software applications.
- Contribute significantly to a high-impact project focused on **ADA compliance**, ensuring the company's product adheres to accessibility standards, using **DOM** manipulation and **jQuery**.
- Participate in design discussions and propose solutions to enhance user experience, Web UX patterns and performance.

Frontend Developer, Amika Softwares Oct 2022 — May 2023

- Deliver high-quality, robust production code for a diverse array of projects for clients. Worked on multiple projects like **ERP** web application and Mobile App on **ReactJS** and **NodeJS**.
- Creating responsive web designs, using advanced CSS and animation.
- Collaborate with designers, project managers, and other engineers to transform creative concepts into production realities for clients and stakeholders.

Angular Developer Intern, CloudIDE April 2022— Sept 2022

- Worked alongside experienced developers and contribute to the development of dynamic web applications
- Opportunity to gain hands-on experience with Angular12, javascript, jQuery, HTML, CSS, MySQL, Bootstrap, responsive design and web UI-UX patterns

Projects

Transformative ETL Testing Platform Angular 14

- Led the development of the dashboard module, incorporating reports, charts, and tables for efficient data analysis.
- Played a pivotal role in resolving critical bugs, contributing to the overall stability of the application.
- Prioritized and efficiently managed bug tickets, collaborating with the team to implement timely solutions.
- Carried the enhancement of ADA compliance, making the application more inclusive and aligning with industry best practices.

School ERP (Web Application) - Angular 12

- A Next Generation School Management System application made from scratch Frontend plus Backend with auth module, dynamic fee module, receipt module, configurable branches, user management, Single click deployment, and Academic year management
- Angular12, Rest API, MYSQL, Angular Material

ODC Tutor (Medical APP) - Angular 12

- App that can calculate O2 and DO2 and uses critical graphs and HAMMER JS gestures
- Angular, HammerJS, Angular Material, Custom Graph with Gesture, XCode, Android Studio
- Managed the publishing of apps on both the **Apple App Store** and **Google Play Console**

Isync (Mobile Application) - ReactJs

- Developed a comprehensive ReactJs-based mobile application for school management, enabling efficient attendance tracking, role-specific authentication, and seamless access to essential school-related features.
- Implemented a robust authentication system, ensuring secure role-based access control for teachers, students, and administrators.

Green Multifit- Reactjs

- Led the successful implementation of a cutting-edge warehouse management software, streamlining inventory management and revolutionizing the sales and purchase process
- Effectively managed warehouse operations, including product management and tracking of logs, resulting in optimized productivity and enhanced profitability.
- **ReactJS**, **NextJS**, **Material UI**, **NodeJS**, **ExpressJS**, **TypeScript**, **Docker**

Skills

Programming Languages

JavaScript, TypeScript, NodeJS, ES6, HTML, CSS, DOM manipulation, jQuery, MYSQL

Design Skills

UI, UX, Figma, advance CSS, responsive web-designs, Mobile-Compatible

Libraries & Frameworks

ReactJS , Angular , NodeJS , Bootstrap5 , Nextjs, Material-UI, Syncfusion

Tools & Platforms

Git, GitHub, Bitbucket, JIRA, Postman, Android Studio, Chrome Dev Tools

Education

GH Rasoni College Of Engineering Nagpur
CGPA- 9.55 (Bachelors of Engineering)

HSC

Percentage - 72.31

SSC

CGPA- 9.4

Awards and Achievements

- **3rd Prize** in the Technical Quiz Competition
Organized by GHRCE
- **2nd Prize** in the Technical Paper Presentation
Organized by RTMNU University
